The official newsletter of the Mississippi Mudds - August 2019

Auditions for Frozen, Jr. for the junior Mudds will take place on Saturday, September 7 at the Town Hall at 10am. Kids from 8 to 18 are invited to audition. Please bring a snack. Audition package is on the Mudds website.

From the Desk of the President - Jeff Lee

In just a couple of weeks the Mudds 2019/20 season will get started with the rehearsals for CP200+: A Time to Remember. The cast and crew are eager to get started on the Mudds contribution to the Carleton Place 200 year anniversary ceremonies. The production team met this week and there's some exciting plans in the works for sets, lighting, props and choreography. This play is a musical that brings the history of Carleton Place front and center and is co-written by long time Mudds members Catherine Clark and Jenny Phitzer.

The new Mudds board has now met twice and all responsibilities are assigned. All budgets have now been passed and your 8 board representatives are working in the background to make this and future seasons a great success. The Mudds sponsorship and brochure program is nearly complete thanks to Stephanie Stephens and Judith Scott and we'll have season brochures to distribute in the next couple of weeks.

The auditions for Frozen Jr. have been announced for September 7 at Carleton Place town hall and there has been huge interest so far. The veteran production team is very excited for this show.

After a break we are selling Nevadaman tickets again at Giant Tiger on the weekends so when the time comes please sign up for a couple of shifts to help us raise some much needed funds.

Many of the board members will be communicating on this or future issues about initiatives for the coming season so please stay tuned for more news on our exciting season.

Show Development - Show Development Officer - Kaz Lapointe

Hi everyone,

I think most of you know me - I've been a member of the Mudds since moving to Carleton Place in 2012 and been on the board for the past 4 years doing memberships. I've also done some producing, directing, acting, make-up, props and have held the summer BBQ at my place for 4 years (and hope to resume this next year). This year at the AGM I had the privilege to be voted in as the new Show Development Officer on the Board. This means I get to talk to all you hopeful producers and directors out there who wish to propose a show for the next season and beyond. So please, do not hesitate to contact me if you have an idea; remember, you do not necessarily have to be the director or producer if you have a show in mind. If you are not ready to take on those roles and can find people who would like to direct and produce your show, you can still bring the proposal to me. I am available to talk to after 4.30 most evenings, so please do not hesitate to reach out to me either by email, or phone (details below).

One of the first things I would like to do is set up a reading group for scripts; especially home grown materials and I already have a few for us to start on. If you are available to meet on either a week-night or sometime over a weekend on a semi-regular basis then I would love to hear from you by email; again, my contact details are below. I currently have a murder mystery and 3 or 4 comedy plays; I will supply the scripts and organize a place for us to meet. I look forward to hearing from any of our members, past and present who wish to be a part of this.

Talk to you soon!

Meet One of Our New Board Members - Stephanie Stephens, Director Without Portfolio

As a brand-new member of the board this year, I have been given the charge of general publicity. I'm presently working on a plethora of ideas with the wonderful and amazing, Judith Scott. As visible as we are within our community, our goal is to make sure that this season's shows and the Mudds itself are buzzed about more so than ever before!

I have been a member of the Mississippi Mudds for a few years now; on stage to begin with, as part of the cast of Peter Pan, HMS Pinafore, Guys and Dolls, and Mary Poppins. This past year, I co-produced The Merchant of Venice and We Will Rock You.

The arts - specifically theatre – play a dominant role in my life. I studied theatre and studio arts in school, and I have been producing and directing school musicals for my elementary students for the past twenty years – from Joseph and the Amazing Technicolor Dreamcoat, to Fiddler on the Roof, to Aladdin Jr and Cinderella Jr. Every school year I introduce students to the theatre and I hope pass on a love for acting and performing. I keep a special scrapbook of letters, cards, and emails written by former students, sometimes written years later, detailing to me how monumental the school musical was for them.

Why I want to volunteer with the Mudds, and be a part of community theatre, is to experience that monumental feeling – that magical combination of accomplishment from creating; of expression from dancing and singing and interpreting the written word; and of belonging, being with like-minded people who share the same passion.
